Questão 01

How can I use the Bluetooth™ Car Speakerphone when calling?

<http://www.sxc.hu/photo/743038>

When you've paired the Bluetooth™ Car Speakerphone with your phone, you can make calls provided the speakerphone is turned on and within 10 metres (33 feet) of the phone, with no solid objects in between.

To make a call:

I) Use the phone keys, and dial the number in the same way as you would normally do. The call is automatically activated in the speakerphone.

II) To end the call, briefly press the call handling key on your speakerphone or use your phone.
